

Damage from the Afterquake at Midnight on April 7th

We would like to report the following information concerning damage incurred at our company due to the afterquake which occurred at 23:32 on April 7th, Thursday offshore of Miyagi.

1. Damage

We are happy to announce that, so far, we have not received any report of fatalities, serious building/production facilities damage at the following production sites.

(1) Akita Shindengen Co., Ltd. (114-2, Aza Kamiyachi, Ooura, Yurihonjyo City, Akita)

(2) Higashine Shindengen Co., Ltd. (5600-1, Kou, Ooaza Higashine, Higashine City, Yamagata)

Also, as to the power outage in areas covered by Tohoku Electric Power, we were informed that power had been restored in Yamagata but not in Akita.

At both production sites, operation remains halted, and we are confirming the production facility damage and working towards resuming operation.

We shall issue another report as soon as we can confirm when to expect operation to begin.
